Connex Update

1. There is a large quantity of soccer balls donated by Dick's Sporting Goods taking up a bit of room. We need to decide what to do with these balls. (approx. 7-10 boxes of varying ball sizes).
2. There is one box of assorted OV Soccer balls that was not counted. The number of soccer balls will be what was recently ordered plus the assorted balls in the uncounted box. The recently ordered balls totaling six boxes are now in the Connex.
3. There is a bin with mixed keeper jerseys. The qualities and sizes have a very wide mixed variety. Not sure if we want to consider having more uniform keeper jerseys.
4. For the flags, I have 4 in my garage in addition to what is listed on the table below. Not sure how many other board members or coaches have miscellaneous equipment such as flags.
