  -issues with kids on Folsom teams insisting they can wear tape over their earrings, never allowed and has been that way a long time, not an OYSC rule but a governing body of referee's rule
  -(Todd)-had a coach ask how many players does OV allow on a U8 roster, answer is 12-14
  -we need to have equipment coordinators look at the nets, some may need replacing

- Had a meeting with ORPD about AB-310 which requires AED equipment and AED, CPR training for all OYSC coaches and board members, all sites the teams play at need an accessible AED to the public. By January 2027 we need to have a written plan for training and implementation of AB-310. Law is in effect January 2028. We are in communication with ORPD for trainings
- D6 has a discretionary spending fund of 40k, that money has been earmarked to help assist with the cost of AB-310
